

NEWTON TOWNSHIP BOARD OF ZONING APPEALS

The Newton Township Board of Zoning Appeals consists of five residents from the unincorporated area of the township appointed by the trustees to five year terms. Alternates may also be appointed to stand in when any of the five appointed Board members are absent from proceedings. The terms are staggered so the term of one member expires each year. This board will hold public hearings for administrative appeals, variance appeals, and conditional use zoning permits. These hearings will be called on an as needed basis with the required notification.
