

Announcement

2024 Salt Springs Phase 1 Road Improvement

Resurfacing of a portion of Carson-Salt Springs Road is expected to commence on or after August 26, 2024. This work is Phase 1 of a proposed two-part project, with a maximum of \$75,000.00 in funding from the Ohio Public Works Commission having been secured to assist with funding of the project. 2024 work will include resurfacing of the portion of the road between St Rt 534 and East River Road following the installation of a new culvert. Resurfacing will also include just less than half of the remaining roadway from Newton-Tomlinson Road west. All work should be completed prior to November 15, 2024. An application has been submitted for funding for Phase 2 to assist with resurfacing the remaining portion of Carson Salt-Springs Road from where this 2024 upgrade ends to St Rt 534
